

Swegon Air Academy eBooks for iPad/iPhone and Kindle devices!

All Swegon Air Academy books in English are now published as eBook formats (designed for iPad, iPhone and iPod touch, Kindle devices). The eBooks of Simply GREEN and Simply EPBD are from the Simply series, and AIR Swegon Air Academy is available for purchase as a complete book and also in separate chapters (Parts A-E).

Beside this all our books in English and Swedish are still available for purchase as printed editions at the Swegon Air Academy Bookstore.

What are our eBooks about?

Simply GREEN

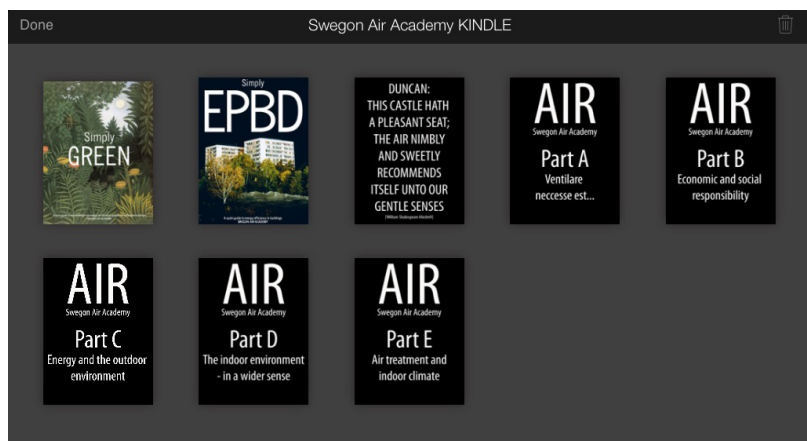

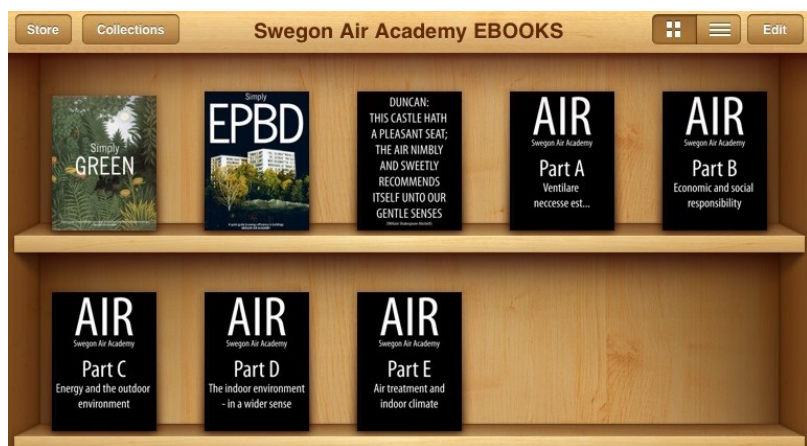

"Comprehensive information on overview of main global and some national environmental and energy certification systems."

Simply EPBD

"Contents of Simply EPBD written in a popular and easily accessible style, in order to explain consequences that the EPBD and other directives have on all of us."

AIR Swegon Air Academy

"A timeless publication with a soul of its own about ventilation, economic responsibility, energy, indoor requirement and air handling processes."
